

## INTERCESSORY PRAYER FOR FR. PEDRO ARRUPE, SJ

*Dear Lord Jesus,*

*I believe you are truly present to me  
here in the Blessed Sacrament.*

*Here you are the same person who was  
present to your disciples  
and the people you cured in the Gospel stories.  
Here you are the same person in the Blessed Sacrament  
who miraculously healed the young man  
Pedro Arrupe witnessed at Lourdes.*

*Through the intercession of Fr. Pedro Arrupe,  
Please cause a miraculous cure  
through your Blessed Sacrament of  
**(say the name of the person you want healed  
and be specific for the physical healing that is needed).***

*May this miraculous cure lead to the sainthood  
of Fr. Pedro Arrupe and reveal to the world,  
like Fr. Arrupe discovered, that you are truly  
the living Divine Physician.*

*I believe that you can affect this healing for  
**(say the name again and the specific thing needing healing)**  
and affirm again your healing power and  
its promise of eternal life fully present in the Blessed Sacrament.*

*Thank you for hearing my prayers and answering them*

*If it serves for Your own glory and praise.*

*May it lead to the conversion of many souls  
In honor of the holy and selfless life of Fr. Pedro Arrupe.*

*Through Christ, our Lord.*

**AMEN!**
