

DEDICATION TO THE HEART OF MARY

O most holy Virgin, Mother of Jesus and my mother,
I kneel in prayer at your feet in the very presence of your Son.

I join my voice to all the angels and saints in heaven.

With them, I join in praising you for your “yes”
to the Angel Gabriel in giving birth to Jesus.

Please intercede that I might
be able this day to say “yes” in following your Son.

Dear Mary, help me with your powerful guidance
in all my undertakings and toils.

Protect me from all enemies and console me in all my trials.

Bring it to pass, that I might live all my life, shaped by the

Way, Truth and Light of Christ
until I reach the Kingdom of the Eternal Father.

Amen.¹

¹ The Dedication prayer to Mary is adapted from the traditional solemn consecration of the Society of Jesus to the Immaculate Heart of Mary.
