Ignatian Spirituality for Third Millennium Evangelization

Dear Eight Grader Parent/Guardian:

Sacred Story Institute (SSI) developed a new Ignatian Pre-K to grade 8 conscience formation program called Sacred Story Youth (SSY). SSY took two and a half years to develop and was tested with hundreds of students and teachers across six dioceses in the United States. The program is designed to use a three to five minute space after recess each day to teach the Ignatian “examination of conscience” in a new rendition called Sacred Story Prayer.

The program’s main teaching tool is recorded guided meditations that are age appropriate for each of the Pre-K to 8 grades. The three-eight minute guided meditations are designed to be used to quiet the mind and guide students learn how to hear the voice of God in their hearts.

This is a yearlong meditative experience to help children build sensitivity and awareness of God’s presence in their lives, to allow God to shape one’s *Sacred Story* according to his will and graces. St Ignatius, the founder of the Jesuits (Society of Jesus) used the examination of conscience every day and teaches us that spiritual conversion is not a single event but a life-long process.

The eighth graders will focus on The Sacred Story meditation themes of CREATION, PRESENCE, MEMORY, MERCY & ETERNITY linked with the 6th Commandment (You Shall Not Commit Adultery) and the 9th Commandment (You Shall Not Covet Your Neighbor's Spouse) with the reflection: ***I believe God loved me into life and so I commit myself never to break relationship with my spouse or work to have another break theirs either.***

There are two storylines to this relational paradigm: I can choose to develop my relationship with God and find my ultimate fulfillment in God by discerning how God desires us to live: single life, married life, ordained or religious. Or we ignore God's desire for our fulfillment, and take what we want. [Note the connection between Vocation as life's work - LOVE -(trust/service) and a life with "me" at the center - LUST - taking what is not ours (fear/selfishness)].

Sacred Story Youth uses a "relational paradigm" for understanding creation, the fall and redemption. Sacred Story's relational paradigm provides a new and intuitive way to understand the most complex and important dimension to the Story of the cosmos and human life. Pope Francis called the Creation a "love story" that to our day is still being written.
